

Policy Type:	Transportation
Policy Title:	Custom Work Policy
Policy Number:	300-02

Authority:	
Council Resolution #	68/22

Purpose:

To set the rates to be charge for custom work and the conditions which apply to custom work

Policy

Custom Work Rates for construction, maintenance, supervision, and travel expenses of transportation projects within the Village of Loon Lake shall be charged as follows.

- Skid-Steer - \$ 100.00/hour for ratepayers
- Skid-Steer - \$125.00/hour for non ratepayer
- Mower \$ 100.00/hour
- Steamer \$ 75.00/hour
- Labourer \$ 50.00/hour

All above items include a Village of Loon Lake employee as the operator.

The following conditions shall apply to custom work done:

All equipment operators must be employees of the Village of Loon Lake. The Village of Loon Lake will only do custom work within the Villages of Loon Lake and surrounding area at the Foreman's discretion.

Half hour minimum charge with the exception of the following:

- (a) Equipment rates are charged from time the equipment leaves the maintenance shop to the time the equipment is returned.

The Village reserves the right to refuse to do any custom work due to availability of equipment or manpower and where conditions exist that may damage equipment or property.

A liability release must be signed prior to commencement of any custom work. In cases where custom work is deemed by public works supervisor to be beneficial to the Village such as snow removal that affects a Village roadway, charges for work on private property may be waived.

All unpaid custom work may be added to tax roll by resolution of council.

Effective Date/Repeal

This policy will come into effect on April 7, 2022 unless otherwise specified and shall be implemented as outlined in this policy. This policy repeals and replaces all resolutions and any policies pertaining to Custom Work Rates that have been consolidated into this policy and replaces all past practices. This policy may only be amended or repealed by resolution of Council.
